

About The Exhibition

The Exhibition Committee produced the largest and most complex exhibit in VAA history. The Opening Reception took place on Friday, May 11, 2012 at 1600 Smith Street.

176 Artists from 27 states submitted almost 500 artworks! Our Juror, Wade Wilson, selected 16% of the work to hang; 17 states were represented in the selections. We produced the most sophisticated promotional CD utilizing a custom-made computer application that produced a single PDF file showing everyone's submissions.

Volunteers have hand-delivered this CD to 60 Houston/Galveston art consultants and galleries. Remember, all SUBMITTED art work is on the cd – not just what was accepted.
