

About The Exhibition

The VAA Exhibition Committee has produced the 30th Juried Open Exhibition. The Opening Reception took place on Friday, April 27, 2013 at Three Allen Center Gallery (333 Clay Street, Houston, TX 77002).

141 Artists from 10 states and France submitted over 400 artworks! Our Juror, Diane Barber, selected 14% of the work to hang; 5 states and France were represented in the selections.

We produced the most sophisticated promotional CD utilizing a custom-made computer application that produced a single PDF file showing everyone's submissions.

Volunteers have hand-delivered this CD to 60 Houston/Galveston art consultants and galleries. Remember, all SUBMITTED art work is on the cd – not just what was accepted.
